

## **0:00-0:21**

### Block 1

Intro. We see a beautiful blue sky. A dark cloud of volcanic ash covers the frame.

## **0:21-0:30**

### Block 2

Band performs covered by illustrations of ash clouds.

## **0:30-0:48**

### Block 3

Establishing:

-Lighthouse on a volcano island. We see man tied up, taken hostage, inside.

-The volcano erupts behind the lighthouse.

-We see our villain. Her special powers are being able to fly and project fire out of her hands.

## **0:48-0:58**

### Block 4

Hero establishing. Her special power is being able to freeze anything using lightning from the sky.

## **0:58-1:15**

## Block 5

Hero jumps on a tightrope between a cliff and the lighthouse, she is dodging villain. The villain's shots of fire are being blocked, freezed by constant lightning strikes.

## **1:15-1:24**

### Block 6

Stakes are rising. Hero takes a hit.

## **1:25-1:34**

### Block 7

Under the tightrope, hundreds of feet below, is a kraken lurking just under the surface of the water.

## **1:34-1:52**

### Block 8

Villain cuts the rope and she falls in. The water turns to ice as lightning strikes wherever she walks.

## **1:52-2:10**

### Block 9

The hostage looks out the window, down at the hero running along the water.

## **2:10-2:19**

### Block 10

The hero summons lightning. It strikes into the core of the exploding volcano.

## **2:19-2:37**

### Block 11

The hero fights off the kraken, flying villain and volcano at the same time as the hostage watches.

## **2:37-2:48**

### Block 12

The volcano freezes up. The ash clouds begin to clear, sunlight pierces through.

## **2:48-3:16**

### Block 13

Sunlight burns the skin of the villain, the monster in the sea dives away from the surface. The hero enters the lighthouse through the window and grabs the hostage.
